SCHOOL SUPPLIES

As you all know, school supplies were purchased bulk and ordered by each teacher to help create a positive learning environment and easy flow in the classroom.

The cost of these supplies is not yet tallied as we finalize the orders. The office will send out the supply fee in the next week or two.

Typically our school has only accepted cash or cheque to pay for school fees but a new platform is being rolled out in the next month. Stay tuned for a way to pay online. There will be a chance to pay with cash or cheque still, just more options.

PARENT VOLUNTEERING

If you plan on volunteering in the school in any way, please make sure your criminal record check is up to date. Please email Mrs. McIver in the office at sheryl.mciver@sd51.bc.ca to get the process started.

BELL SCHEDULE

As always, attempts are made to keep our website up to date so please check it with your questions as sometimes they can be answered there. But feel free to call with questions always.

Please note that our bell schedule is slightly different this year. First bell goes at 8:20 to come in and session starts at 8:25. Lunch starts at 11:45 to go outside, and eating time starts at 12:15, finishing at 12:35. Dismissal is still at 3:20
