Code of Conduct

Internet Use at John A. Hutton Elementary School

The responsibility for using the Internet safely and wisely is shared among:

The School

As a school we provide computer and internet access in every classroom, the computer lab and the library. Internet access is provided by the Provincial Learning network (PLnet). This internet access is filtered for inappropriate sites, nevertheless, we ask students to use school computers under the following guidelines:

The Student

As a student, you have participated in your class workshop and agree to the conditions listed here:

1. You will only use school email
2. You will read site information and make appropriate decisions about sites you visit
3. You will not engage in chat sites
4. You will not access sites that could be controversial (music group are examples of sites that can be inappropriate and better left alone)
5. You will not use another person's account
6. You will not share your password. You are responsible for your own account and all activity that takes place under your password.
7. You will not download without permission from Ms. Butler or Mr. Breedveld.
8. You understand that your privileges can be revoked or suspended if abused.

The Parent

As a parent, you have discussed with your child the capacity of the internet as a tool for research and also the possibilities that exist for accessing inappropriate material. Parent and student signatures acknowledge terms of Internet use at Hutton School

(Parent Signature)

(Student Signature)

(Note: this is not a permission form but an acknowledgment that an appropriate school and family discussion has taken place on Internet use.)
