ONGOING

- If you are a family that has a kindergarten student to register for fall 2023, please come in to pick up a registration package as soon as possible. Alternatively, paperwork can be downloaded from our website and can be scanned into the office or dropped off.
- Primary Classes need paper towel or gift wrap empty rolls. NO toilet paper rolls. Drop off donations at the office.
- PLEASE...use the parking lot appropriately. If you are staying in your car waiting for kids to come to you, park in the outside circle along the sidewalk in our parking lot. If you are getting out of your car to go into or around the school to pick up kids, please PARK in a PARKING STALL. The smaller lot in front of the main doors is actually not a parking lot anymore but if the big lot is full, we understand the need to use it. Please do not use the handicap spots if you do not have a handicap parking tag. The lot on the west side of the school by the bus lane is tight so please be aware of people, both small and adult sized, walking in between vehicles. Backing up into the parking

area is discouraged as you have limited visibility doing this. Bottom line, if you have to drive around the block because there is no room to park or wait, do so and let your kids know ahead of time that this could be a possibility.

Please see our website calendar for basketball game information. This information is updated as we get it so please check frequently. To encourage website traffic, we have hidden a HAWK egg in the calendar, so the first person to reply to this email with the location of the egg gets a Hutton swag tshirt, kid's size, 1st edition.

Gr 6/7 kids still can join a Co-ed Ultimate Frisbee team. See the attached form for more information

As always, any concerns, questions and yes, positive comments too, feel free to reply to this email, phone the office or drop in.
