PRINCIPAL'S MESSAGE

Mr. Peter Scott

Hello Hutton families,

I can't believe it's November already. I hope everyone had a fantastic Halloween.

Hutton is now into a routine with students at the center and things are running smoothly. I want to thank families for their patience and understanding while we got Hutton up and going this year as there have been lots of changes.

Some things happening around Hutton are:

- afterschool basketball for intermediates
- lunchtime volleyball for grade 6/7 students
- Student Leadership Team
- Coming soon a coding group that will build on students computational and critical thinking skills.
- Band is in full swing

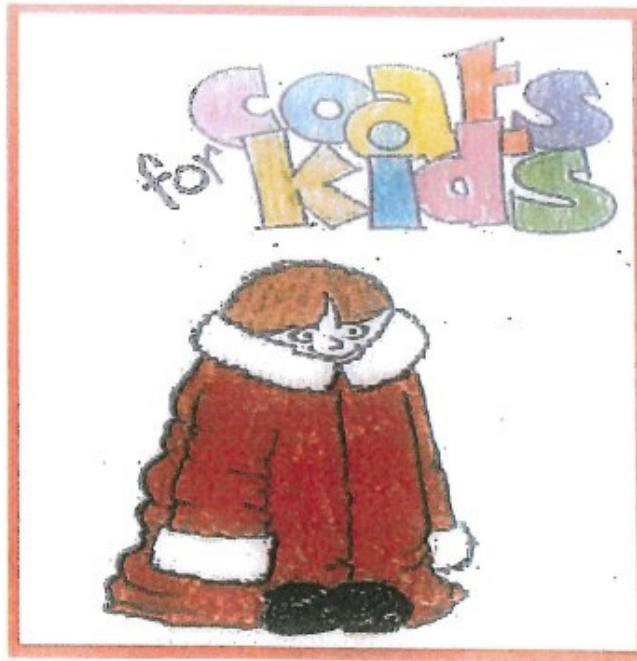

As always if you have any questions, please don't hesitate to call the office; we are always happy to answer questions you may have.

GR 6/7 VOLLEYBALL

Mr. Rutherglen and Katy Spark are busy Monday and Tuesdays at lunch coaching a plethora of Grade 6/7 students the game of volleyball. A large turnout is a good sign our kids like to be active!

Their first game will be at Perley Elementary school Wednesday, November 10. Please pick up your student from Perley at 4:20. Unfortunately not all parents can watch. As per Provincial Health Orders, we are only allowed 50 people in the gym. So at this time, ONLY the host school's parents can come into the gym to watch. Hutton will have their turn to host another time.
