

SD51 Ordinarily Resident Guidelines Checklist

In accordance with the School Act Section 82 and Ministry of Education policy, a student is eligible for a provincially funded education if parent(s) or legal guardian(s) meet ordinarily resident requirements. If not the parent, guardianship must be by will or Canadian court order. Students who are residing in BC and whose parent or legal guardian is ordinarily resident in a BC school district are eligible for a publicly funded education.

The following evidence will determine the status of ordinarily residence:

- Canadian birth certificate
- Canadian passport

- Confirmation of Landing/Permanent Residence and passport

While each of the following indicators alone is not enough to establish residency for the purpose of Section 82 of the School Act, the larger the number of positive indicators as set out in the list below, the more likely it is that the person qualifies as a resident of the province for the purpose of receiving government funded public education:
