## **IMPORTANT NOTICE**

### **Reference the Grade 7 Western Direct Fundraiser**

As we all know, our school's doors are closed, and students are not attending classes because of COVID-19. As a result, we are being pro-active and cancelling the Grade 7 fundraiser with Western Direct Fundraising to raise money for their end of year school trip.

Anyone who took in orders and money from friends and family for this fundraiser, would you please make a point of contacting the individuals on your list and refund their money.

We would like to thank all of you who were taking part in the fundraiser. Your effort to support our school is appreciated.
