Halloween

The following points are to remind you what our expectations are surrounding the costumes being worn at school:

- No masks - face paint is ok
- No weapons
- Items like a broomstick for a witch costume is fine, but if used as a weapon, it will be removed.
- Please don't bring loads of candy in your lunch. 1 - 2 pieces max to ensure learning can still occur effectively.
- No inappropriate costumes depicting things like drugs or alcohol are permitted.

We look forward to seeing all the cute, fun and scary characters Thursday!

Our annual Trick or Treat for the Food Bank is in full swing. We are accepting donations of non-perishable food items at the school through the week and the Food Bank will be picking up the donations Monday, Nov 4, in the morning.

Volleyball Season is here

Our grade 6/7 Volleyball season is underway with our team's first game at Hutton Nov 6 at 12:45. Thank you to our coaches, Ms Dhesi, Tara Makortoff and Danielle Thielmann!

Remembrance Day

Remembrance Day November 11 is a statutory holiday so we will be honouring the memory of fallen soldiers Thursday, Nov 7. Please feel free to join our assembly at 9 am.
